Accomplishments (Projects)

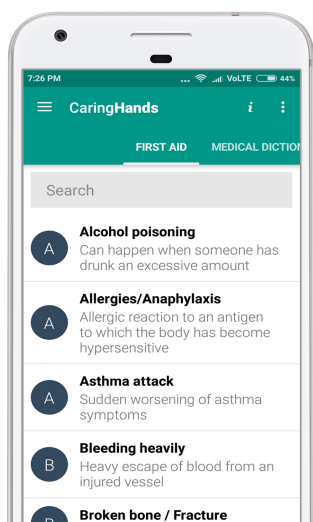

CaringHands Android App

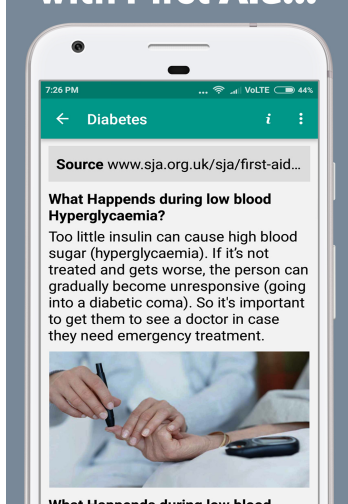

Fully professional android app individually made :)
Caring Hands - Offline First aid, Medical dictionary & Amazing Health Articles

<https://play.google.com/store/apps/dev?id=4678184510052097584>

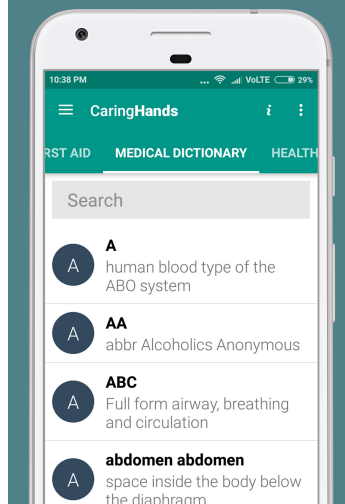

First Aid

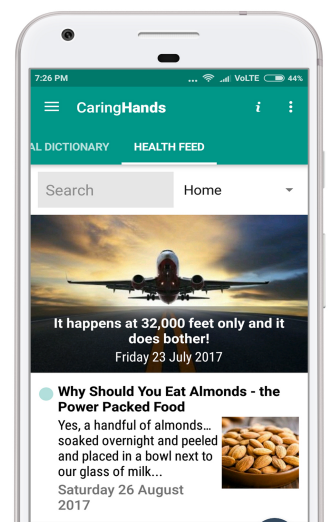

Detailed info with First Aid...

Offline Medical Dictionary

Health Articles

Tmib Video Downloader

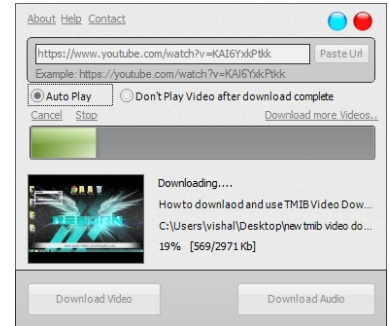

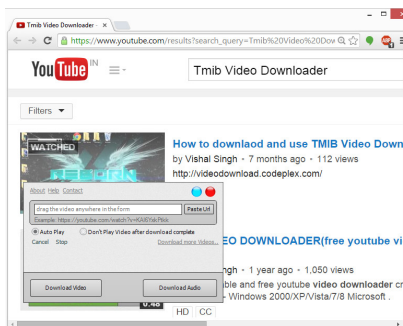

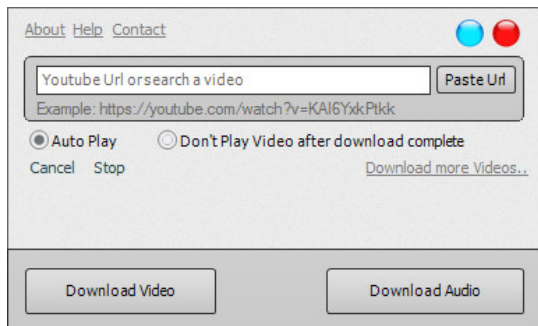

Jun 2012 – Oct 2014

Have over 200k downloads on softonic :)

Simple youtube downloader also available on cnet downloads, softonic, softpedia and many other major software distributing sites

I developed mostly the UI of the app and took the already existing libraries for youtube video downloading. This program is discontinued because now most of the users are shifting to mobile platform and online youtube downloaders
